

2016

Defense Health Information Technology Symposium

How to Download Your Mobile App

To download the app when viewing from your Android or Apple mobile device, scan the QR code above, or find the app on the App Store or Google Play by searching for DHA Events. For devices that are not Android or Apple, use the link below:

Mobile web - <https://event.crowdcompass.com/dhits2016>

1. Download the app to your phone.
2. Tap on the app icon to start the app.
3. Search for and tap on the **2016 Defense Health Information Technology Symposium** event to download.
4. It will ask you to enter event code: **dhits2016**
5. Login to the event by clicking the “Log in for more features!” found in the top left of the sidebar.
6. Open the sidebar using the icon: 
7. Follow the instructions to enter your First and Last Name.
8. If your email exists in the system, you will then be prompted to enter a Confirmation Code.
9. Click “Resend Code” under the Finish box and follow the instructions in the email that you receive.
10. If your email is not currently in the system, you will be prompted to enter your email address instead. You will then receive a verification email - click the “Verify” button in that email and follow the instructions to finish the login process.
